Dimension and technical specification

Part-No.	Type	Width [mm]	Nominal current [A] 65°C bar temp.	Weight per Set [kg]	No. per Set
A-DB-040.0380.250	DBAL 40/5/60/250/S	40	380	1.00	3
A-DB-040.0380.310	DBAL 40/5/80/310/S	40	380	1.25	3
A-DB-040.0560.310	DBAL 40/10/80/310S	40	560	1.75	3
A-DB-050.0670.310	DBAL 50/10/80/310/S	50	670	2.00	3
A-DB-060.0770.310	DBAL 60/10/80/310/S	60	770	2.50	3
A-DB-080.0980.350	DBAL 80/10/100/350/S	80	980	3.25	3
A-DB-100.1190.350	DBAL 100/10/100/350/S	100	1190	4.00	3

Applications:

- Connection between motors- and machine parts
- Expansion connectors between bar-systems
- Connection as earthing tapes
- Connection between electrodes and busbars in electrolyse applications
- Connections for generators, transformers and MCC systems
- Connection for movable parts
- Connection for switchgear applications
